FOR IMMEDIATE RELEASE

Kit Carson County Health Service District Names Robert Omer Interim CEO

BURLINGTON (December, 15, 2014) – Robert Omer has been named Interim Chief Executive Officer for Kit Carson County Health Service District, effective Dec. 8, 2014. Omer is a veteran hospital executive with close to four decades of senior leadership experience in health care management.

“I am proud to help serve the patients of Kit Carson County and surrounding areas and be a part of its history of providing quality health care,” Omer said. Most recently, Omer served as Chief Executive Officer and Administrator for Southeast Colorado Hospital District, Springfield, Colo., with additional experience as a CEO for rural hospitals in Colorado, Missouri and Nebraska.

Omer was appointed as the Interim CEO by the KCCHSD Board of Directors. The board has initiated a search for a permanent CEO, and the process typically takes a few months. During this transition, the Board of Directors would like to remind patients that KCCHSD is committed to providing the best health care possible for our service area and they are working diligently to strengthen our foundation so we can continue to be a partner in the business community and local economy.
